## Who We Are:

Ellyt is the brand, created to reflect who we are today – a founder-led, transparent food brand built on direct farm partnerships and clean ingredients. Since 2013, we are expanding internationally and growing beyond snacks into a wider range of fruit-based and functional food products.

## What We Do:

We collaborate with local farmers and food scientists to create high-quality snacks.

## Achievements:

Recognized as one of Vietnam's top 10 dried fruit exporters in 2023.  
Awarded in 2024 for sustainability by EAS and KredEx Design Masterclass.

## Our Products:

Certified organic in Europe and we are dedicated to making as many products organic as we can. A wide range of snacks tailored to customer needs. Made using techniques that preserve vitamins, flavor, and texture.

## Where to Find Us:

Available in 1,500+ stores across Estonia, Latvia, Lithuania, and Finland.  
Expanding to Switzerland and Sweden in 2025.

Certificates: Sustainability, SMETA audit, ISO 22000, HACCP Codex Alimentarius, Global Standard Food Safety, ESG in process, 2018 Kosher Certification (KASHRUTH CERTIFICATION)
